Student Group Report

The Equity Report shows the performance levels for all students on the state indicators. It also shows the total number of student groups that received a performance level for each indicator and how many of those student groups are in the two lowest performance levels (Red/Orange). The total number of student groups may vary due to the number of grade levels included within each indicator.

State Indicators	All Students Performance	Total Student Groups	Student Groups in Red/Orange

Performance Levels: Blue (Highest) Green Yellow Orange Red (Lowest)

An asterisk (*) shows that the student group has less than 11 students and is not reported for privacy reasons. The performance level (color) is not included when there are less than 30 students in any year used to calculate status and change. An N/A means that data is not currently available.

Optional Narrative Summary

A narrative text box will be provided as an optional feature for local educational agencies to describe their performance on the state and local indicators. This option will be included in the Dashboard Coordinator Portal to be completed by LEAs. The optional narrative will be displayed as text summary paragraph at the bottom each report to provide additional context and information.
