

STATEMENT OF TRACEY I. MILLER-ZARNEKE
CANDIDATE FOR GOVERNING BOARD MEMBER
EL SEGUNDO UNIFIED SCHOOL DISTRICT

I am seeking re-election to the Board of Education for the El Segundo Unified School District. During my first term in office, I developed great understanding of public education operations; I gained valuable firsthand experience governing through unprecedented scenarios; and I built strong relationships among students, parents, teachers, staff, and local through federal level legislative colleagues, all in an effort to serve ESUSD and our El Segundo community as effectively as possible.

My leadership skills proved vital during the most unpredictable of times, inspiring my elected peers to unanimously vote for me to serve back-to-back presidential terms. I maintain a balanced, fair, and educated perspective in my decision-making process. I embrace innovative approaches to help our school district support the whole child. I promote educational practices that create empowered learners who are also independent thinkers, empathetic individuals, and responsible global citizens.

Having been a supporter of ESUSD longer than I have had children as students in our schools, and as a current Board Member, I have worked to generate a positive impact that lasts well beyond when my sons fly off as graduated Eagles. I would be honored to receive your vote to continue my service to ESUSD.
